

WATSUPHOL SINCHANACHAI

Software Developer

☎ +66 86 887 5702 | 📍 Bangkok | ✉ wasumc.design@gmail.com | 🌐 github.com/Watsuphol | 🔗 linkedin.com/in/Watsuphol

PROFESSIONAL SUMMARY

Transitioning from a career in architectural design and product development, I am highly motivated to develop software skills. I leverage experience with JavaScript, Node.js, and React.js to build user-centric and performant web applications. I am passionate about pursuing a software developer position where I can utilize my problem-solving skills and strong communication in my new career path. Integrating web accessibility principles into designs ensures inclusive user experiences. Eager to contribute to a tech environment and seek opportunities for continuous growth. I am committed to using my experience, transferable skills, and knowledge to become a valuable development team member.

SKILLS

Technical skills: HTML, CSS, Tailwindcss, JavaScript, React.js, Node.js, MongoDB, SQL, AI, Prompt engineering
Design skills: Figma, Photoshop, Illustrator, Premiere Pro, Lightroom
Behavioral skills: Growth mindset, Teamwork, Proactiveness, Critical thinking, Time management, Problem solving

PROJECTS

Puey Puey E-Commerce (Web application)

- **Market Research and Application Development:** Researched the pet humanization trend in Thailand and developed a web application based on user personas derived from data provided by Mahidol University's Marketing Faculty.
- **UX/UI Design and Implementation:** Designed a user-friendly UX/UI by leveraging detailed persona research, ensuring an intuitive user experience and consistent design elements to simplify processes and highlight key information.
- **Full-Stack Development:** Utilized the MERN stack (MongoDB, Express.js, React.js, Node.js) to build web applications, focusing on front-end UX/UI optimization and seamless back-end integration for efficient data management, payment processing, and dashboard functionalities.
- **Project Management and Team Collaboration:** Managed team projects using Trello and Stack, fostering a cooperative work environment with regular meetings, clear communication, and well-defined tasks to ensure smooth project progress.

Booking Hotels (Web application)

- **Implemented robust CRUD** (Create, Read, Update, Delete) functionality for booking data, leveraging Express.js and Node.js to establish a seamless connection with a MongoDB database.
- **Designed and developed** a user-centric interface with React.js and CSS, ensuring a smooth, intuitive user experience.

EXPERIENCE

Junior Software Developer Bootcamp Cohort 7 (Generation Thailand)

📅 APR 2024 - JUL 2024 | 📍 Bangkok, Thailand

- Acquired skills in React for front-end, Node.js for back-end, and MongoDB for database management.
- Responsibilities in project management positions included the utilization of Agile and Scrum methodologies to oversee projects from inception through deployment.
- Served as the UX/UI lead in a team, overseeing the design and development processes for creating Web application.

Self-learning, Programming language (WeStride Institute of Technology)

📅 DEC 2023 - Present | 📍 Bangkok, Thailand

- Developed expertise in HTML, CSS, and JavaScript, applying these skills to create responsive websites project.
- Enhanced algorithm skills through consistent practice with exercises while studying comprehensive documentation.

Work and Study (All-rounder, Japanese Restaurant)

📅 APR 2023 - OCT 2023 | 📍 Melbourne, Australia

- Developed strong time management skills and worked under pressure.
- Balanced work in a Japanese restaurant while studying English at Impact English School.

Thailand teams - KMUTT representative (Project Lead)

📅 JUL 2019 - FEB 2020 | 📍 Xiamen, China

- Handled all aspects of the project lifecycle, including research, design, development, and overall project management.

KMUTT Workshop (Researcher & Data analysis)

📅 MAY 2018 - JUN 2018 | 📍 Paris - Barcelona, French - Spain

- Engaged in an in-depth research of architectural design principles, focusing on both aesthetic and functional aspects.

EDUCATION

Bachelor of Architecture and Design, International program, Second Class Honour: GPA 3.27 (2016-2020)
King mongkut's university of technology Thonburi (KMUTT), Bangkok
